Sir,

In connection with Government Order No.G.13158-60/Med.335-38-1 dated the 24th June 1939 regarding fees to be charged for admission of Non-Mysoreans in Hospitals, I wish to bring to the kind notice of Government that in addition to the three categories of in-patient fees mentioned in the order namely annas 8, Re.1 and Rs.4, there are various grades of in-patient fees in the several hospitals of the State as follows:-

Victoria Hospital, Bangalore ...	Rs. 4 and Rs.3. Re.1 and Re.0-8-0
Vani Vilas Hospital, Bangalore..	Rs. 4, 3 and 2.
Cheluvamba Hospital for Women,.. Mysore.	Rs.2-8-0 and Re.1.
Mental Hospital, Bangalore ...	Rs.2 and Re.1 for Indians Rs.3 and Rs.2 for Europeans.
P.K.Sanatorium, Mysore. ...	Re.0-8-0 for general wards with modification and Rs.4 for Non-Mysoreans and Rs.2-8-0 for Mysoreans in special wards. Rs. 2 for Non-Mysoreans and Re.1 for Mysoreans in Banumiah Ward.

In view of all this, I suggested in my Unofficial Note No.G.C. 151-4 dated 4-6-1939 that the fees for Non-Mysoreans may be raised by a substantial percentage of at least 50%, whatever the category, as a general rule, so as to apply to all classes of In-patient charges, and the three rates were given as an example.

As the present order is very limited, Medical Officers have been put to doubts (vide copy of letter of Medical Officer, Cheluvamba Hospital, Mysore). So I request that a modified Government Order

Respected Sir,

We, the Patients of the Sanitorium beg your gracious permission to submit the following for your kind perusal and favourable orders.

We,Special Ward Patients staying as in-patients in the Krishnajammanni ~~Tuberclosis~~ Sanitorium have been enhanced to Rs.6/- from Rs.4/- in the case of Non-Mysoreans. The Rules hitherto were Rs.2-8-0 for Mysoreans Rs.4/- for non-mysoreans. We submit that the enhancement from Rs.4/- to Rs.6/- for the Non-Mysoreans has been the cause of very severe hardship to the Inpatients.

It is well known that the Tuberclosis is a disease which needs prolonged treatment extending over months and over years in some cases. Payment for the Special Ward at Rs.6/- per day will mean Rs.180/- per month by way of Ward Fees alone. Diet and other requirements and the maintenance of those dwelling in the City taking care of us will bring up the amount to Rs.300/- to Rs.400/- per month. This is a minimum estimate.

We beg leave therefore to state that this enhancement has been really a source of serious hardship to us all. Our Guardians are now constrained to leave us to our fate. So We most humbly request you, Respected Sir, to be kind enough to reduce the Special Ward Fee at Rs.4-0-0 per day only.

For which act of kindness and generosity we shall ever remain grateful to your honour,

We beg to remain,

Sir,

I have the honour to forward herewith a copy of letter received from the Medical Officer, T.B.Sanatorium, Mysore and its enclosure in original about the reduction of special ward fees in the T.B. Sanatorium, Mysore, and to state that the G.O.No.D.13130-6 Med. 335-38-1 dated 24-6-1939 gives particulars only examples and does not contemplate either increase of Rs.2-8-0 (for Mysoreans) to Rs.4/- or of Rs.4/- for Non-Mysoreans to Rs.6/-. At present the rate for Non-Mysoreans in this institution is more than 50% higher than in the case of Mysoreans and calls for no revision. If the suggestion made in this office letter No.C.311-3 dated 31-7-1939 is accepted and revised orders issued, the rates will be Rs.2-8-0 for Mysoreans and Rs.3-12-0 for Non-Mysoreans, in fact a slight reduction in the case of Non-Mysoreans unless this institution may be be considered an exception and the old rates allowed to continue.

I solicit early orders.

In submitting herewith the application from In-patients (Non-Mysoreans), I have the honour to report that when the Dewan visited the Sanatorium on 7-8-1939 this petition was submitted personally by one of the patients. The Dewan enquired about the cost of maintenance of each patient and rate at Madanapalli. Finally he said that Rs.5/- a day may be recommended and asked to submit this to you.

Development Department, Camp, Mysore.

Sir,

With reference to your letter No.G.10/Med. dated 18th October 1939, regarding the scale of fees for in-patients in Madras, I have the honour to inform as follows:-

(1) A. Regarding rates in Madras.

(1) Fees ~~as~~ for in-patients in general wards of Madras hospitals range from annas eight to Rs.2-8-0 per day according to income. In special wards of the General Hospital, Madras, it ranges from Rs.10/- to Rs.15/- per day according to kind of accommodation.

E (2) Special ward fees differ in the various main hospitals of Madras and again these differ from fees charged in the big hospitals of districts.

(3) Various concessions in rates are granted to many specified categories of Government servants and others.

I am submitting herewith a copy of the relevant rules for perusal and return when done with.

(2) B. From a scrutiny of the rules obtaining in Madras and Bombay, I do not find any indication that they charge any higher rates for patients from outside those Presidencies.

I shall meet the Member about this question as advised.

I have the honour to be,
Sir,

ORDER NO: G.5204-6/Med.56-39-3

Dated, the 9th Dec, 1939.

There are at present various scales of fees for inpatients in the several hospitals of the State. In their order dated 24th June 1939 read above Governmen

directed the levy of certain scales of fees for non-Mysoreans who enter hospitals in the State as inpatients. The Senior Surgeon has now recommended that the scale of fees for non Mysorean inpatients may as a general rule, be fixed at 50 per cent more than that levied on Mysoreans, whatever their category and that this may apply to all classes of medical institutions but that the existing charges for out-patient attendance in the X-Ray, Electro-theropy and Radium treatment and in the Pathology Departments and for operations may be retained at the same rates both for Mysoreans and Non-Mysoreans, without any distinction.

Government are pleased to approve generally the above recommendations of the Senior Surgeon.
